TO: 2018 Junior Fair Steer and Feeder Calf Exhibitors
4-H Organizational Volunteers
FFA Advisors

FROM: Stefanie L Prevatt, Extension Educator, 4-H Youth Development
Muskingum County Junior Fair Livestock Committee

The following is information for registering 2019 market steer projects. **All** market steers to be exhibited at the 2019 Muskingum County Fair must come to steer registration day to be tagged and weighed, **NO EXCEPTIONS.**

1. **Steer registration and weigh-in will be held Monday, December 10, 2018 from 5:00 p.m. - 7:00 p.m.** at Muskingum Livestock Sale Barn, located on Malinda Street in Zanesville. All steers must be tagged and weighed-in at this time to be eligible to exhibit at the 2019 Muskingum County Fair.
 - Youth may bring up to two steers to be registered in their name.
 - Steers must be on a halter at registration and should be halter broke.
2. Steers must be owned, being cared for and in continuous possession of the member by weigh-in date (December 2018).
3. All steers must have been born after January 1, 2018 and must be dehorned and castrated. Calves will be checked for proper dehorning and castration by a licensed veterinarian at the December weigh-in. **There will be no on-site castration. Steers must be castrated prior to arrival at December weigh-in.**
4. ***Purebred:*** *Bring a copy of your steer's registration paper with you to the December weigh-in. This copy needs to be turned in on registration day. If you don't have the breed registration paper yet, bring a copy of the bill of sale (if applicable) then follow up with a copy of registration after it is received. **This must be turned in to the Extension Office by JANUARY 31, 2019 or the steer will be placed in Crossbred class. NO EXCEPTIONS.***
 - There must be a minimum of 4 steers of one particular breed to constitute a class. All others will be placed in an "All Other Breeds" class. There will be no minimum number in an AOB class. All registered steers will be recognized including appendix and low

Important
update!

percentage. Once you have declared the steer to be shown in a purebred/AOB class changes cannot be made at the fair.

- Each breed class winner will compete for overall purebred division champion/reserve. The purebred division champion will show against other crossbred division champions for overall grand and reserve grand market steers.

5. Ohio State Fair Reminders: Ownership date for the State Fair steers is the same as our county registration. Any steer to be shown at the Ohio State Fair must be registered in December at the county registration site. **Youth planning to participate in the 2019 Ohio State Fair with a Junior Livestock Market Steer (or heifer) must pick up a State Fair registration packet at December weigh in.**

6. Muskingum County Fair Reminders:

- You may exhibit one steer
- You may only sell one lot of livestock in the Junior Fair Livestock Sales; with the exception of an exhibitor who has more than one grand and/or reserve grand champion. All grand and reserve grand champions of each species must sell.
- Steers must weigh at least 1000 pounds at the county fair to be eligible for auction.

7. Other Information:

- If you know of others wishing to take a steer that has not in the past, please try to pass along the registration information to them.
- Ownership and showing rights are considered lost if the steer has been cosigned or sold, even if the exhibitor "buys back" the steer.
- Members in 4-H and FFA may not take the same project (ex: steer project #117M).

The Junior Fair Livestock Committee is asking that you please have your registration sheets completed when you arrive at the sale barn.

Good luck with your project!

A handwritten signature in black ink that reads "Stefanie L. Prevatt". The signature is written in a cursive style with a long horizontal line extending to the right.
