

# 2025 Muskingum County Junior Fair Livestock Entry Instructions

## Overview

- All 4-H and FFA youth **must** complete livestock entries in order to exhibit in the Muskingum County Junior Fair. THIS IS NOT FOR OPEN CLASS ENTRIES. This is a separate entry from the 4-H/FFA project enrollment due April 1.
- Livestock entries must be submitted online in Fair Entry ([muskingum.fairentry.com](http://muskingum.fairentry.com)) by established deadlines listed below, **NO EXCEPTIONS**. You can use a computer or mobile device, but a computer is recommended. If you use a mobile device, use in landscape mode.
- Fair Entry will open June 2 for all entries except market rabbits. It will open for market rabbits on July 17.
- **Create ALL entries for ALL family members before submitting your invoice**, or you will not be able to add additional classes/entries to your family until your entries are approved by the Fair Entry Manager. Double check that entries are correct, because you cannot edit entries once submitted.
- **If you have questions, ask!** If you need assistance with the entry process, contact the Extension Office: 740-454-0144, Jamie McConnell ([mccconnell.210@osu.edu](mailto:mccconnell.210@osu.edu)). **Extension staff are not available to help outside regular business hours (M-F, 8 a.m.-4:30 p.m., closed for lunch 12:30-1:30 p.m.)**. You can also contact the Fair Entry Manager at 740-280-2877 or [fairentrymanager.muskingum@gmail.com](mailto:fairentrymanager.muskingum@gmail.com).
- The Fair Entry Manager, NOT the Extension Office, reviews entries and approves/rejects them. Communication about your entries will come directly from Fair Entry or from the Fair Entry Manager (740-280-2877 or [fairentrymanager.muskingum@gmail.com](mailto:fairentrymanager.muskingum@gmail.com)). **If you have a question about a rejection you receive, contact the Fair Entry Manager directly.**
- Entries will be reviewed and approved/rejected by the Fair Entry Manager as they are submitted. Families receive an email from Fair Entry when entries are submitted - this **does not** mean the entries are approved. Families should watch for a second e-mail, which will indicate if entries were approved/rejected. If entries are approved, forward this e-mail to your club/chapter leader. If entries are rejected, review the reason and resubmit entries before the deadline. If you do not receive e-mails from Fair Entry, be sure to check your junk folder. You can log back in at any time to review your submissions.

## Deadlines

- All entries are due online by **June 30 at 11:59 p.m.**, EXCEPT market rabbits, which are due **July 22 at 11:59 p.m.** Exhibitors leasing breeding/dairy livestock or horses are **required** to upload a copy of their lease agreement and a photo of their animal when they add the animal to their entry. Sample lease agreements can be found here: [muskingum.osu.edu/juniorfair](http://muskingum.osu.edu/juniorfair). Exhibitors with purebred hogs will be required to upload registration papers for those animals when they add the animal to their fair entry.
- Showmanship sign-ups for the following species will take place as a part of the registration process: beef, dairy, goat, llama, poultry, rabbit, sheep, swine. When exhibitors make an entry for the species, they will be asked if they would like to participate in showmanship. **Exhibitors must indicate on their entries if they would like to participate in showmanship. If they opt out, they cannot be added to the showbill after the June 30 deadline.**
- All horses age yearling and older are required to have a 5-way vaccination administered by a veterinarian by August 1. Exhibitor must submit documentation of vaccination to the Junior Fair Horse Committee at the entry booth on Day 1 of the Muskingum County Fair by the end of the 12:30 p.m. barn meeting. Any horse that does not have a vaccination record submitted by this time will be dismissed from the grounds.

## Notes about Animal Registration Events

There is no paperwork for exhibitors to bring with them to the following registration events. If the exhibitor is not available to attend, someone else can bring the animal(s).

- **Market Goat** - ALL market goats must be weighed in and tagged at June 2 Market Goat Registration. After registration, exhibitors will be responsible for completing the online entry process using the Fair Ear Tag # **by June 30**.
- **Market Lamb** - ALL market lambs must be weighed in and tagged at June 2 Market Lamb Registration. After registration, exhibitors will be responsible for completing the online entry process using the Fair Ear Tag # **by June 30**.
- **Breeding Rabbit** - Rabbits should be tattooed at June 2 Breeding Rabbit Registration if they do not already have a tattoo. After registration, exhibitors will be responsible for completing the online entry process using the appropriate tattoos **by June 30**.
- **Market Rabbit** - ALL market rabbits must be tattooed at July 17 Market Rabbit Registration. After registration, exhibitors will be responsible for completing the online entry process using the appropriate tattoos **by July 22**.

## General Tips

- **Each ANIMAL to be exhibited requires a separate entry**, with the following exceptions:
  - **Beef** - Exhibitors entering Beef Breeding Cow/Calf Pair or Pair of Heifers classes will add both animals to the same entry.
  - **Poultry** - Exhibitors only need to complete one entry per class, even for birds exhibited in pairs.
  - **Rabbit** - Exhibitors entering a Pen of Three Fryers will add all animals to the same entry. The pen entry form will require you to enter six rabbits. If you had less than six rabbits tattooed, enter tattoo number 0 for additional rabbits needed to complete the entry.
  - **Sheep** - Exhibitors entering a Pen of Two Market Lambs will add all animals to the same entry. The pen entry form will require you to enter five lambs. If you had less than five lambs tagged, enter tag number 0 for additional lambs needed to complete the entry.
- **Each BACK-UP animal requires a separate entry.** If exhibitors are sharing a household back-up, an entry should be submitted for **EACH** youth sharing the back-up. Shared household back-up means that this animal is a back-up for more than one exhibitor in the same household. Exhibitors can only have one animal that is a shared back-up.
- **Be sure that required documents and photographs are clear and legible**, or you may be required to resubmit. Requests to resubmit photos will be made by the Junior Fair Committee in charge of that species and will come after entries are approved. Front and side view photos are required for all horse project animals. One photo is required for each animal that is leased. Only one animal should appear in the uploaded photos. Photos should be at a close distance so that markings can be seen.
- Step by step instructions begin on page 4 of this document.
